CAPE POINT
VINEYARDS

VITICULTURE + VINIFICATION

The city of Cape Town is nestled between ancient mountains and two oceans, leading to a cool climate with moderate temperatures year round. Destemmed into open top fermenters and pressed off in to stainless steel tanks Fermentation lasting roughly 10 days with daily punch downs (2-3 times per day). Yes, in stainless steel. Premium French oak staves for 18 months.

TASTING NOTE

This delicious, juicy blend shows soft fruit scents, mulled berries, subtle pink pepper and cedar wood on the nose, which evolves to blackberry, cassis and soft notes of coffee bean and spice on the palate. It has a lingering, velvet finish with soft tannins and balanced freshness.
