### PRODUCER

De Kleine Wijn Koöp (the little wine co-op) started out as just a few good oaks making awesome wines with cool labels, calling in winemaker friends to make each very limited batch cuvée. Now in the talented hands of winemaker Wynand Grobler, the range has gained greater focus and direction without losing any of the original irreverence and adventure. Given Wynand's experience in the valley, Franschhoek is becoming a bit of a calling card but like in the past the "little co-op" spreads its net far and wide seeking out great grapes across the beautiful and varied terroirs of the Cape winelands.

### VITICULTURE + VINIFICATION

Grown on decomposed granite and schale soils, a stones throw away from the cool Atlantic Ocean Wholebunch fermented in open untreated cement tanks for 5 days before pressed of to 300L French oak barrels to mature for 12 months. Naturally wholebunch fermented at around 27C for about 5 days, gently punched down twice daily. Yes, naturally. Very lightly oaked, simply a structural component.

### TASTING NOTE

Beautiful and delicate with concentrated purple and red fruit on the nose, underlying earthiness which adds to the depth. A complete wine with distinct elegance and length on the palate. Firm structure and supple round, present tannin.

### FACTS + STATS

#### WINEMAKER

WYNAND GROBLER

#### VARIETIES

100% SYRAH

#### APPELLATION

WALKER BAY

#### FORMAT

0.750L

#### CLOSURE
