VITICULTURE + VINIFICATION

Cape Point Vineyards is located on the slopes of Chapman's Peak, approximately 1.2km away from the Atlantic Ocean. Cape Point Vineyards Sauvignon Blanc is planted at the bottom of the farm where longer hours of sunshine and less exposure to wind makes for fruitier bunches. Settled for 12 hours before fermentation in stainless steel tanks at a temperature of 16-20°C. Aged for 3 months on the lees in tank. Fermentation in stainless steel tanks. No. None.

TASTING NOTE

The wine shows a complex array of passion fruit and guava combined with citrus elements whilst remaining fresh and vibrant on the palate.
