CAPE POINT
VINEYARDS

VITICULTURE + VINIFICATION

The city of Cape Town is nestled between ancient mountains and two oceans, leading to a cool climate with moderate temperatures year round. Crushed and destemmed, settled overnight in stainless steel tanks. Kept on the lees for 5 months for increased mouthfeel. Inoculated and fermented between 15 and 17 degrees celsius in stainless steel tanks. No. None.

TASTING NOTE

A distinctly Cape Town Sauvignon Blanc with beautiful tones of citrus, pineapple, Golden Delicious apple and ripe pear on the nose. The palate is light with plenty of fruit and a balanced acidity which translates in to a long lingering finish.
