CAPE POINT
VINEYARDS

VITICULTURE + VINIFICATION

The Sauvignon Blanc portion of this wine is hand-selected from a single vineyard parcel facing the toughest conditions on our sea-facing Vineyard; severe winds and rocky, decomposed granite soils result in tiny bunches packed with complexity. Whole bunch press with no skin contact; allowed to settle for 8 hours. A combination of spontaneous and inoculated fermentation took place. The Semillon part fermented in Amphora clay pots, made from clay from the Cape Point area. No 10 Months on gross lees in french oak barrels followed by 5 months in stainless steel on fine lees

TASTING NOTE

Isliedh is a remarkable combination of Cape coastal Sauvignon Blanc drenched in richly textured Sémillon. Both varieties adding to the complexity of the wine. The blend offers beautiful floral notes of white orchid, rose and peach blossom. The fruit leaps from the glass unveiling a harmonious blend of white fruits, ripe nectarine, pink grapefruit, figs and lemon curd. Hints of floral oak spice combined with fresh thyme gives the wine an extra layer of depth. The palate is rich, saline, full and textured with the classic long lasting mineral finish. Drink 2020 - 28.
