PRODUCER

Cossetti is a family-run winery and winemaker Clementina, is now the fourth generation of winemakers in the Piedmont region. Cossetti follows sustainable viticulture to highlight the unique terroir across their estate. Clementina's philosophy is based on traditional winemaking, where she strives to capture a pure expression of the land her family has been cultivating for over 125 years. Cossetti produces obscure Piedmontese varieties such as Albarossa, Cortese and Dolcetto, and is an undervalued gem amongst a very well known wine region.

VITICULTURE + VINIFICATION

The property (locally called San Colombano) is around 30 hectares, and represents the beating heart of Cossetti winery. The vines are, on average, 30 years old. The yields are kept low to ensure quality of the fruit and result in greater concentration and intensity of varietal characteristics in the wine. Exposure of the vineyards vary from south to south-east, with a mixture of soils; sandy-marl, in which there are iron and magnesium deposits. This particular type of soil in the region results in wines (dependent on variety) with a marked intensity of aroma, fine tannins, and a pleasant mineral expression. The grapes are collected in containers and gently pressed. Fermented in temperature controlled steel vats at 15-17° until dryness achieved. Malolactic fermentation as necessary. No.

TASTING NOTE

Straw yellow colour with greenish highlights. Fresh, persistent aroma with hints of floral and fresh fruit. Pleasantly dry, crisp and harmonious. Excellent as an aperitif, best tasted with cold hors d'oeuvres and seafood.
