## PRODUCER

“Great wines are made on the vine, and when the variety, aspect and soil type are right, Australia’s wine regions deliver elegant, textured and fruit-driven wines that hold their own with the best in the world.” Sam Coverdale established Even Keel in 2006 with a vision to create drinkable, elegant wines that celebrate the individual strengths of Australia’s wine regions. Since 2009, he has specialised in premium, single-vineyard wines from the Mornington Peninsula, under the Polperro label, using a mix of organic and biodynamic viticulture principles.

## VITICULTURE + VINIFICATION

The Syrah grapes come from the Fisher & McKenzie vineyard in the young Canberra Districts wine region in New South Wales. The fruit is handpicked and fermented using wild yeast. It is plunged twice/day, pressed off skins after 20 days and matured predominately in seasoned oak. The wine is then bottled without fining or filtration. Yes.

## TASTING NOTE

This is a really classy and complex Syrah redolent of the cooler climate found in the Canberra Districts. Blueberries, violets and earthy mushrooms mix with fragrant black pepper and herbs.
