PRODUCER

Hobby is a passion project for two renowned Portuguese winemakers, Diogo Campilho and Pedro Pinhão, who after working in various wineries around the New World decided to return home to start their own. They source grapes from sustainably farmed vineyards in Alentejo, focusing wherever possible on the region's native varieties and combining this heritage fruit with some of the most advanced winemaking techniques.

VITICULTURE + VINIFICATION

Modern and advanced winemaking techniques. Grapes handpicked and vinified separately. 11 months in oak.

TASTING NOTE

Complex aroma with ripe black fruits, spices and vanilla. On the palate, good volume, elegant tannins and a long finish.
