

PRODUCER

Viños Mar 7 is found in the heart of Sanlúcar de Barrameda and is run by María José Romero, whose family produces some of the best Manzanilla in the region. Indeed, María recalls her most memorable sherry moments have been over a glass of Manzanilla with her father, “a pharmacist by profession but a winemaker by devotion”. Her vineyard dates from 1820 and is in an enviable position with exceptional microclimatic conditions. María created Mar 7 in honour of her winemaking ancestors. The wines are aged in 80-year-old American oak barrels and see no additions during production.

VITICULTURE + VINIFICATION

Pedro Ximénez is a sweet wine from the Andalusian wine regions of the Marco de Jerez, Montilla-Moriles and Málaga. Probably the sweetest wine in the world. However its aromas, flavours, and complexity make it fresh and harmonious in the mouth. The natural process of drying the grapes concentrates the sugars but also the natural acidity of the grape. __null No. Aged in 80-year-old American oak.

TASTING NOTE

Deep aromas, as it is made from partially dried Pedro Ximénez grapes exposed to the sun. Unctuous, velvety, smooth, full and with perfect balance. Long and tasty finish.
