VITICULTURE + VINIFICATION

From the Rai di San Polo di Piave vineyard, 30 metres above sea level, planted on clay, sand, sometimes gravelly soils. Double Sylvoz overturned training system with 2,800 stumps per hectare. Hand harvested mid-September. Very soft pressing, then a long Charmat method in tank.

TASTING NOTE

Bright, straw yellow with green highlights. The perlage is delicate and persistent. Aroma of acacia flowers, good intensity with particular notes of apple, lemon and grapefruit. Good structure, soft with emerging fruity notes; balanced and full-bodied, it is pleasant and harmonious on the palate. Perfect as an aperitif served with battered vegetables, fried food, cheese and cold pasta, excellent with row fish as oysters, prawns and truffles.
