PRODUCER

A&D Wines is a wine producing, family-owned company based in Baião, a sub-region in the Southeast Vinho Verde region. Our goal is to produce quality wines that express our land and the grape varieties we work with. Baião, where we are, is a transition area, located next to the border with the Douro region, which allows us to explore an unique terroir, where schist meets granit and where we have terraces and vineyards from 200 to more than 500 meters of altitude, allowing us to have a very diverse portfolio while only working with our own grapes, which are all grown in organic production mode.

A&D WINES

VITICULTURE + VINIFICATION

The winter of 2018 was quite dry. Spring was more balanced, with some rain during April, which compelled us to apply treatments in the vineyards for mildew and oidium. Also, the vineyards in Casa do Arrabalde suffered some frostings during this month. Summer was mild, only the lower vineyards in Quinta de Santa Teresa registering some burns on the 23rd of August. In the 8th and 9th of the same month it rained, which allowed to reduce the hydric stress and push the maturation process. The balanced, fresher profile of the 2019 vintage gave birth to slightly more acidic wines, with lower alcohol. Grapes arrive to the winery in 24kgs boxes. They are hand-selected and destemmed, before going thru skin contact process and a gentle pneumatic press. 90% of the must ferments in stainless steel vats at low temperature, the other 10% fermenting in 500l barrels. After fermentation the wine stays on its fine lees, with bâtonnage, for around seven months. Stabilization and tender filtration take place. None. No oak is used.

TASTING NOTE

Singular is a blend conceptualised by our winemaker Fernando Moura, which combines wines from the various vineyards and grape varieties of Quinta de Santa Teresa, including the oldest vines, expressing in a harmonious way the "singularity" of each vintage.
